Dear Sirs,

BICC has completed 577 applicants through February 29, 1972, at a rate of \$26.80 an applicant, which is based upon completing 1200. The total due BICC is \$15,463.60. ADP-PDS paid BICC \$10,720.62, which leaves a balance of \$4,742.98. The acceptance of this amount does not mean that BICC has agreed to the 1200 count, as the correspondence indicates 1000 to 1200.

This constitutes a revised invoice for the amount of \$4,742.98.
